Privacy Notice – Physician Select Management

This privacy notice discloses the privacy practices for www.psmnv.com. This privacy notice applies solely to information collected by this website. It will notify you of the following:

- What personally identifiable information is collected from you through the website, how it is used and with whom it may be shared.
- What choices are available to you regarding the use of your data.
- The security procedures in place to protect the misuse of your information.
- How you can correct any inaccuracies in the information.

Information Collection, Use, and Sharing

We are the sole owners of the information collected on this site. We only have access to/collect information that you voluntarily give us via email or other direct contact from you. We will not sell or rent this information to anyone.

We will use your information to respond to you, for the reason(s) you contacted us. We will not sell your information to anyone. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request, e.g. to resolve a request, support or other technical issue.

We use cookies on the web site solely for the purpose of improving functionality and security of your user experience, and to collect analytics for use by us in order to determine how to better serve you over time. PSM does not allow third parties to engage in cross-site tracking of our users.

Unless you ask us not to, we may contact you via email in the future to tell you about important notices regarding software or support updates, safety or security issues, new products or services, or changes to this privacy policy.

Your Access to and Control Over Information

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address or phone number given on our website:

- Change/correct any contact or other information we have about you;
- Express any concern you have about us or our use of your data.

Security

We understand and take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.

Wherever we collect sensitive information (such as addresses or phone numbers), that information is encrypted and transmitted to us in a secure way. You can verify this by looking for a lock icon in the address bar and looking for "https" at the beginning of the address of the Web page.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, providing support or customer service) are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a highly secure environment.

Contact

If you feel that we are not abiding by this privacy policy, you should contact us immediately via telephone or via email found in the contact information on this website:
